## Active voice

A sentence in active voice focuses on how the subject does an action and interacts with an object.

A sentence in active voice can be in any tense because what is important is the subject.

- Examples:

- Donovan is going to eat chips.
- Martha is driving a brand new car.
- The guitar player played 7 songs.

Activity: Create 12 sentences using the structure and the information from the previous table

- 4 sentences in present (Present simple, Present continuous)
- 4 sentences in Past (Past simple, Past continuous)
- 4 sentences in future (Future "will", Future "going to")

- |   |          |           |
